Bangalore 3/12/97

Dear Mr Leonard

One Chowdry Kamaluddin Sab and other butchers of the Bangalore City have complained to Govt against a notification of sale of butchers' stalls issued by the collector of the Municipality. The notification produced by them fixes tomorrow as the date of sale. The Petrs contend that the proposed sale is wholly without a precedent and would be a great hardship to them. I am desired to enquire whether a sale is to be held tomorrow and if so under what circumstances it has been ordered. Please let me have the information as early as possible and before holding the sale.

Serial No. 1

The Councillors & the
Government of Mysore
Province (Bangalore)

This is an appeal, by the under-signed Chowdry Kamaul dien Sahb & other mutton butchers of Bangalore city; against the order of the President of Municipal Board dated 15th Nov 1897 enclosed herewith, and resisting the sale of the rights and privilege of selling mutton for the year 1898 Commencing from January, in 21 Shops situated in different parts of the city of Bangalore.

Respectfully beg to submit

1st That, there is no provision in the Municipal Regulations authorizing the President to sell by public auction the rights and privileges of selling mutton by merchants.

2nd That Sec 240 of the Regulations does not authorize the Municipality to hold sales of privileges of granting

10

Licenses to carry on such profession or trades.

3rd That under Secs 57 & 59 of the Regulations, the president is authorized only to regulate the trade in such articles on sanitary grounds by issue of licenses to carry on trade in such articles on sanitary grounds by issue of licenses on payment of a small licensefee as fixed and determined by the Government

4th The selling of such rights and privileges of trades in such articles is against principles of "Free trade" as it would tend to create a monopoly in the hands of a few monied people.

5th That the principle of creating a monopoly in trade of articles which are required for daily consumption of people is against natural justice Equity and Good Conscience and it is without any precedent in the history of the world.

6 The sale of such rights and privileges of selling mutton is not held by any Municipal Bodies in India. Even in Civil & Military Station, the Sister Municipality of trade is regulated issue of licenses on sanitary grounds only.

6th In the year 1894, the Vice-
President of this Municipality under
the same mistaken view as that is
now taken by Mr Leonard, sold the rights
and privileges of selling mutton by
public auction. The then President
Mr Nasir Sayid Ali Khan sanctioned on the
application of the shop-keepers took a
right view of the subject and cancelled
the sale in his order dated 6th August 1894
and ordered refund of sale proceeds and
allowed them to hold shops on issue of
licenses as usual.

8th That, in cancelling the same
Mr Nasir Sayid Ali Khan has rightly
remarked as following:— to quote
Le Entenso.

"We have no power to sell the right
of selling mutton as the sale of mutton
is not a monopoly. We can only license &
so the object being only fiscal but Sanitary.
But these men are having large profits
and can afford to pay a large fee. Besides
a number of scattered shops require
expensive supervision which justifies
higher fee; but a higher fee should be
decided on by the Board & sanctioned by the
Govt. Dated 6th August 1894 (A copy of the
same applied for, but the President
refused to grant).

9th That, your petitioners are
poor people and have taken to this

12

this trade as a profession, for a long time and hold these shops under licenses for the last 15 years & upwards, any disturbance by the contemplated sale of rights & privileges would entail much hardship on the Petitioners.

10th That as the sale is fixed for the 4th of this month and as such an authority by the Govt., the petitioners request urgent consideration be given to this petition and orders be passed cancelling the sale.

11th That, if the sale cannot be cancelled without calling for papers the Petitioners request urgent orders be communicated to the President pending disposal of this appeal. That your petitioners regret as the President has not replied to two of their petitions requesting him to stop the sale, as he seems to be resolute, in selling them arbitrarily although Dis against Law, Rule and Justice

Reference (The appeal petition submitted by the mutton-butchers on the 2nd Decbr 1897)

The undersigned mutton butchers as a Supplement to the above appeal petition beg to submit this petition on the action taken by the President of the Municipal Board on the subject of Appeal, subsequent to the submission of the above appeal petition.

Respectfully beg to submit.

1st That, the President with the resolute intention of carrying out his own project whether good or bad placed the subject of "the sale of the rights & privileges of selling mutton in Shops on Side the the mutton Market" before the meeting of the Municipal

Commissioners on the 16th Decbr
1897 to obtain their sanction
sanction and support.

2. That the proposition
runs as follows:—
"President's proposal
regarding the desirability
of putting to public auction
the right of selling mutton in
stalls outside the mutton
market"

3. That the resolution passed
thereon is as follows:—
"The Board approves the proposal
to put to competition the right
to hold a stall in any locality
for the sale of mutton within
Municipal limits, on such
conditions as the President
may consider necessary in the
public interest pending the
construction of additional
markets in the various localities
into which all those stalls
should eventually be removed"

4th That, although, there was no necessity for the passing of such a resolution, although it is unauthorized by any Sec of the Municipal Regulation or Bye-Law, the President has taken personal interest and has exercised influence enough to carry out his proposal by a majority of the members with the object of making money by the sale of the right & privelege of selling mutton.

5th That, this resolution has been so worded, as to make it appear, that, it is the intention only till the Construction of additional markets and not afterwards. If this be the case why should the President disturb the owners of the present stalls outside the market who own them for the last 15 & fifteen years and upwards, till the additional [illegible] should

the depriving the bread of the poor present holders of shops and try to create a monopoly of trade — the hands of a few well-to-do persons by the auction of the right of Vending mutton in these shops

4th That even if these additional markets are constructed some of the present shops should be allowed to exist as a matter of necessity to meet the convenience of the people as in the civil and military station, bazaar, Madras and other Municipal cities, then the right of selling mutton in such scattered shops should be sold by public auction only so given only on issue of licenses.

5th That the sale of such rights and privileges is against the Principles of Free Trade & Political Economy

8th That as the President has got this resolution passed with the object of depriving the petitioners of their long established, established rights & privilege, with the ultimate object of selling the Shops with the sanction of the Govt by giving it a Color; the petitioners request, that this petition will be Considered along with their appeal petition submitted by them on the 2nd of December 1897 and issue orders to the President not to sell the same,

9th That further they request they may be favored with an early endorsement, as the term of their licenses expires by the end of this month and the Licenses ought to be renewed by the 1st of January 1898 for the next year, which the President may refuse it.

The Petitioners &c.

The undersigned mutton butchers, beg to submit this petition as a second supplemental Petition to the above on the action taken by the president of the Municipal Board, subsequent to the above appeal petition on the subject of Appeal.

1 That, although the Petitioners have applied to the President of the Municipal Board, to grant them Licenses for the current year, the President instead of granting Licenses after the receipt of usual fees, has issued notices to all the mutton shop-keepers who keep shops outside the mutton markets to stop selling mutton in their shops as their term of License has expired

evident, that the President has done this with the intention of bringing this resolution of selling the "the Rights and Privileges of Trading in matter shops into effect.

3rd That, after President has taken advantage of the expiry of the term of your Petitioners licenses and has authoritatively issued notices to stop trade threatening prosecution

4th That, in the notice enclosed herein there is such a single clause directing the Petitioners to take out fresh licenses; by the absence of such a clause and by his not issuing licenses, it is evident that the President has done this to have this project carried out.

5. That, the Petitioners were obliged to stop trade since they received notices and consequently they are deprived of their daily earnings and are left adrift

6. That, the trade in matter may be restricted to a limi

the small earnings, they have been getting in these shops; by the issue of such notices as are enclosed here in they have been placed in a fix, knowing not what to do.

10. That, the issue of such Prohibitory notices, by the Presidency with the ultimate object of carrying out this resolution of selling the rights and privileges of these shops, has deprived them of their daily means of earning and has entailed much hardship upon them.

The Mr Commrs have approved of the Pasts proposal to sell the right of holding mutton stalls by auction, as it is otherwise difficult to deal with the multitude of applicants for the same stalls. Although there is nothing in the Mut Rules about sales of the right in question, S. 179 gives the President discretion as to whether he will grant a license to grant licenses, and any one who is aggrieved by the order refusing, has only an appeal to a Magte as provided in the last sentence of that section.

It does not seem desirable to interfere in the manner desired by the Petrs.

Submitted to the Govt of Mysore, Genl & Rev Dept, Bangalore, 25th Jan 98.

I doubt the legality of the Rules in question - There is no objection to a heavy license fee being charged (Section 240) - But these people are asking for a renewal of their licenses, which was refused by the President. It is open to them to prefer an appeal to a Magte - The matter would then come judicially before our Courts & the authoritative decision could be obtained - It is not clear how Govt can refer us a matter like this - 21/1/98

SIR,

Adverting to your Official Memoranda Nos 6452, 7264 and 7437 dated 2.F.73-97 4th 22nd and 30th ultimo respectively, I have the honor to state that numerous applications are being received for opening mutton stalls in various localities outside the Central Market and often there have been several competitors for a stall in one and the same locality which makes it difficult to decide as to who should get the stall on

On the other hand the mutton butc
in the Central market who have
to pay for rent of stalls complain
bitterly of the loss of their trade,
owing to the opening of stalls outside
the market. Under section 179 of
Municipal Regulations no one can
hold a stall within Municipal
limits without the sanction and
approval of the President, who
has power and discretion to grant,
withdraw, or revoke a license for
such purpose, and as it savours
of partiality to give stalls to any
without offering to all a chance
of securing such stalls by com-
-petition, it was considered desirable
and the Commissioners also ap-
-proved of the proposal, to put
up to competition the right to hold

hold a stall in any locality for the sale of mutton within Municipal limits pending the construction of additional Markets in various localities into which all those stalls should eventually be removed. Four such stalls were sold last year and a sum of Rs 262/8 was realised. Copy of Resolution No. 4 of 16th December 1897 is enclosed for information.

of selling mutton in Shops outside
the Municipal Markets by Public
auction and the steps taken by the
Municipal President to give
effect to his proposal detrimental
and prejudicial to the interests
of your petitioners.

Appeal Petitioners. The
undersigned Chowdry Ramanaiah
Saib and other mutton butchers

who have been trading in mutton in shops of their own, outside the mutton Market for a long time under Licenses issued by the Municipality

Respectfully beg to submit

1st That, this is their third supplemental petition to their first Appeal petition on the subject of Appeal.

2nd That, your petitioners have here-in enclosed two Endorsements given by the President to one of the petitioners on his requesting to grant him fresh License as his term of License expired on the 31st December 89

3rd That, from the Endorsements enclosed it is not clear whether the President means to issue Licenses at all or whether he demands higher rate of License fee from the Petitioners.

4 That from the tone of the Endorsements it is evident that the President is of opinion to Carry out his will at all

although it is against public
policy, natural justice and fair
conscience.

5th That, by that action of the
President, the undersigned have
been stopped trading, the consequence
being poor shop-keepers with their
family and Children have been
driven to starve as they are
deprived of their daily means
of their little earning.

6th That, the trade in matter
is a petty trade on which a class
of poor people style "Kasaules"
chiefly depend for their daily bread;
for this people to be deprived of
their daily means of earning
on fiscal point of view, is really
cruel and works hard-ship on the
particular class.

7th That from the records it will
be evident that some of your petitioners
have been allowed to carry on the trade
for 60 sixty years and upwards &
a few for 15 fifteen years & upwards.

8th That, these shops were created
and allowed & continue to exist

44

the necessities of the people and
also in recognition of the established
rights of the shop-keepers and the
services rendered by them to the Govern

Q^t That as your petitioners are
actually starving for the last 15 fifteen
days, by being stopped from carrying
on their professional legitimate
trade by the arbitrary mandate
=rigid act of the President, they
request their appeal petition
will be considered with their &
their other supplemental petitions
and your Worships will be pleased
to issue immediate orders to the
President to grant Licenses to
your Petitioners: and if the
Appeal Cannot be disposed off
early, your Petitioners request
your worships will be pleased to issue
urgent orders to the President
to grant Licenses on the usual
terms pending the disposal of the
appeal.

And your Petitioners as in
duty bound shall ever pray.

Adverting to correspondence ending with this office letter No.900 dated the 8th May 1900, regarding [illegible] shops that were re-opened just outside Bungalow No.1 Sassoon Road, I have the honour to report that complaints have reached me from the Native inhabitants of the locality against the opening of a stall in the Sassoon Road interfering with trade, and begging that steps may be taken for closure of the stall in question opened by one Mussulman Saib who lives in No.9 Street in the Civil and Military Station.

I have visited the place visited by Mr. [illegible] Sanitary Officer of the Station, who reports that on the forenoon of the 9th ultimo was of very poor quality, very lean, absolutely void of fat and of a pale green colour. It would appear that the stall holder has permission from the Authorities of the Station to carry on his business. If this be so, it seems desirable that, if [illegible] not practicable [illegible] the place of stall in question, it should be looked after in the interests of those who patronize it, for the Health Officer asserts
